The board may establish an impaired dentist or dental hygienist committee, to be designated as the well-being committee, to promote the early identification, intervention, treatment and rehabilitation of dentists or dental hygienists who may be impaired by reasons of illness, substance abuse, or as a result of any physical or mental condition. The board may enter into a contractual agreement with a nonprofit corporation or a dental association for the purpose of creating, supporting and maintaining a committee to be designated as the well-being committee. The board may promulgate administrative rules subject to the provisions of this section and chapter 536, RSMo, to effectuate and implement any committee formed pursuant to this section. The board may expend appropriated funds necessary to provide for operational expenses of the committee formed pursuant to this section. Any member of the well-being committee, as well as any administrator, staff member, consultant, agent or employee of the committee, acting within the scope of his or her duties and without actual malice and, all other persons who furnish information to the committee in good faith and without actual malice, shall not be liable for any claim of damages as a result of any statement, decision, opinion, investigation or action taken by the committee, or by any individual member of the committee.

2. All information, interviews, reports, statements, memoranda or other documents furnished to or produced by the well-being committee, as well as communications to or from the committee, any findings, conclusions, interventions, treatment, rehabilitation or other

31 need to know;

32 (2) Its release is authorized in writing by the impaired licensee;

33 (3) The committee is required to make a report to the board; or
